We at Alyce Carella Dance Centre extend a warm welcome to all of our new and returning students and their families! It's so wonderful to meet you and see the excited faces on our students. The teaching staff is looking forward to a productive, rewarding, and fun year with all of you. If you have any questions regarding your classes, please feel free to speak with your teachers or the office staff. We are all happy to assist you with any concerns.

Make up classes—when a student is ill or cannot attend their regular class for any reason, they may make up that missed class in another class of the same level, if such a class is available. Please check with your teacher or the office staff to find the appropriate class. Holiday closing classes **are not** to be made up. The closing days have already been accounted for in our yearly schedule.
